Science 9H		
Mathematics 9H		

If you are applying for Math 9 Honours, please write and attach a paragraph that outlines any extension work (work that is not part of the 'regular' work assigned by your teacher) you've done this past year with mathematics. This can include project(s), problem solving, puzzles, tutoring, or anything else you feel is relevant. Also describe how the extension work has impacted your attitude/passion toward math.

If you are applying for Science 9 Honours, please write and attach a paragraph that outlines any extension work (work that is not part of the 'regular' work assigned by your teacher) you've done this past year with science. This can include project(s), science fair, tutoring, or anything else you feel is relevant. Also describe how the extension work has impacted your attitude/passion toward science.
